

Details for speakers

Available equipment

We provide:

- a computer,
- stage monitor with copy of the image on the projection or speaker's notes, current time, and time remaining,
- slide clicker and
- head or hand microphone.

PLEASE NOTE: You cannot use your computer on the stage.

Slides and videos

Please follow the guidelines below for your slides.

Aspect ratio: 16:9

Available formats:

- PDF, Google Slides or PowerPoint

Preferred type is PDF or PowerPoint. If you require a video to be shown during your session you should include it in the presentation.

PLEASE NOTE: If you use PowerPoint and any kind of specific fonts, please include those fonts and a screenshot of rendered fonts for visual confirmation. Using PDF option avoids this step 😊.

Send us your slides by May 7, 18:00 CEST

Use the link to send us all your presentation materials:
